HOW TO DOWNLOAD A COUNTY OF MOORE EMPLOYMENT APPLICATION □ □

We only accept County of Moore Employment Applications. We do not accept the State of NC Application (PD 107). Resumes are welcome as a supplement to the application but will not be accepted in lieu of the application.

List separately each job held and your duties for each position if you held more than one position with the same employer. Use the application continuation sheet to provide any additional work experience information if necessary.

Make sure you submit any additional documentation listed as required in the job vacancy announcement. Additional paperwork and/or documentation may be required during the interview and hiring process.

We are sorry, but at this time we are not able to process online applications. We also cannot accept email copies of applications without your signature.

However, you may download our application and application continuation sheet in either Microsoft Word or Adobe Acrobat Reader formats. It is strongly recommended to **Save** the documents to your computer

to filling them out.
